# MIDWAY'S NEW SPACE ZAP

1 Or 2 Player  
Fast Re-Action  
Video Game!

The Laser Base is the target of Space Mines fired from alien Space Ships which attack at random from four directions — North, South, East and West. A successful hit by a Space Mine causes the explosive destruction of the Laser Base. At unexpected intervals, the aliens launch an Attack Satellite that orbits the Laser Base and strikes without warning from any direction.

The player defends the Laser Base with multi-directional fire power. He presses the Aim Buttons to direct his laser, and with the other hand, he presses the Fire Button to launch destruction on the attackers. Greater concentration and eye/hand coordination are required as the alien attack speeds up.

Various point values are scored for hits of alien Space Ships, Space Mines and Attack Satellites. Each player starts with 3 Laser Bases, but is awarded a bonus Base at 75,000, 150,000 and 300,000 points.

SPACE ZAP features sonic battle sounds, laser blasts, flashing lights - adding extra excitement to the game challenge that demands dexterity, concentration and quick response action.

Colors on screen mechanically reproduced.
